SCHEDULE TWO

Code of Conduct

1. Residential Students must comply with all College security arrangements and identify themselves on request by any member of staff, by showing their ID Cards, which must be visible at all times.

2. Residential Students are forbidden to tamper with firefighting equipment or alarms except in a recognised emergency, otherwise the Residential Student will be required to pay a minimum fee of £50. False or malicious calls to the emergency services are illegal and will be reported to the police.

3. Residential Students should not access any roof or any other secured area.

4. Residential Students should not hang or drop objects from any of the windows or place any object on any external window ledge.

5. Residential Students are individually and collectively responsible for the care of the fabric, fittings and furniture of College buildings to which they have access. Residential Students responsible for causing damage to property will be charged the cost of replacement or repair and an additional administration fee. Where it is not possible to identify individuals, a collective charge may be made upon all occupants of the area where the damage occurred, the assumption being made that all occupants in a room or area of building are jointly responsible for its care. The College may in its absolute discretion impose an administrative fee in addition to the charge.

6. The College does not accept liability for any loss or damage to property by Residential Students or other persons using College Premises and facilities, unless as a result of the College's negligence.

7. Residential Students must comply with all College parking and driving regulations during term time and vacations. A College parking permit must be visible in the vehicle. Motor vehicles, including motor cycles, are only allowed on the campus if the owner is in possession of a current Authorisation Form and the vehicle displays a current Student Car Pass. Bicycles must not be taken into Halls of Residence or any other buildings (a lockable bicycle shed is available and is to be used at the Residential Student's own risk).

8. Easton College operates a Zero-tolerance policy to illegal substances. Any Residential Student found, suspected of using, possessing or supplying drugs and the afore mentioned substances will immediately be subject to the college disciplinary procedures and may lose their place in residence.

9. Alcohol is strictly prohibited in the Residential Student Accommodation and therefore any alcohol found will be confiscated and disposed of, even if you are over 18 years of age. Disciplinary procedures will follow for those found in possession which may result in losing your place in residence. Anyone found in possession of empty alcohol containers within their study bedroom will be subject to the College disciplinary procedures.

10. It is against rules to be under the influence of alcohol during the college day (8:30 am – 5:00 pm Monday – Friday) during term time. If you are under 18 it is against College regulations to be under the influence or in possession of alcohol at any time.

11. With the exception of registered assistance dogs and upon approval, the following are not allowed in any Halls of Residence or Refectory: dogs, pets or other animals. Livestock and horses are not allowed on any lawns or grass verges. Course Tutors may permit dogs or other animals into a classroom if required for Animal Care, or similar courses. Dogs on campus must be kept on a lead at all times.
12. Residential Students must comply with the College's Firearms Policy at all times and must inform the Head of Residential provision and Student Services Operations Manager should they intend to keep a firearm or associated paraphernalia on College Premises.
13. The College operates a no smoking policy in all Buildings; therefore it is not permitted to smoke (which for the avoidance of doubt includes the use of e-cigarettes or vaping) in any College Buildings. Smoking is only permitted in designated areas. A map of the designated areas can be found in Reception or on the intranet. Disciplinary actions may be taken against you if you are caught smoking outside these designated areas. Those wishing to vape on College premises may do so only 5m or more from any building.
14. Controlled Substance, Legal High or Nitrous Oxide of any kind are prohibited on all College sites and all offences will be dealt with as serious misconduct.
15. In case of a disciplinary matter arising out of a non-academic incident relating to accommodation, Residential Students must comply with the College's Student Disciplinary Procedure, available both on the intranet and the College's official website.

18. The Residential Student shall not give/lend their keys (or copies) to any visitor.
19. All under 18 years old Residential Students must be in their residence between 22:30 and 08:00 hours. If you leave campus, it is essential that you sign out and sign back in on your return. No under 18 students will enter the over 18 block and vice versa.
20. Visitors are not allowed in any accommodation past 22:00 hours on Sunday to Thursday, and 18.30 hours on Friday. **Nb. For the 24/25 academic year sadly we are not permitting any non-residential visitors to Halls of Residences.**
21. Residential Students must reapply each year to live in Halls of Residences. No place is guaranteed, and every application is considered on its merits and with full consideration of the individual student's previous behaviour, both in Halls and on their course. The College reserves the right to refuse a place in Halls to any returning student where they have demonstrated that they are not able to manage their own behaviour with the level of maturity that is needed in a semi independent living environment.
